We estimate that it will take us approximately ten working days from the return of this letter to gather the materials and file the required papers with the U.S Patent Office and Trademark and our foreign associates. As you know, we charge a Fixed Fee of \$150.00 per file for transferring them to new counsel. This fee is for services in connection with receiving your instructions to transfer responsibility for prosecution of the file, preparing and filing papers with the USPTO and any foreign associates, ensuring that there is a 30 day window of time for new counsel to integrate the files into their system, gathering the files themselves and preparing for shipping with comprehensive inventory and a copy of six month docket.

In order to save costs for you, we have chosen not to photocopy these files. We have made this decision based on the understanding that Morrison & Foerster will be granted access to them in the future, if necessary, for review or photocopy purposes with reasonable notice during normal business hours.

We ask that you sign below to confirm your transfer instructions as outlined above and your agreement to the estimated date of completion and our fixed fee associated therewith. I look forward to your prompt return of this confirmation so as not to delay the process.

Sincerely,

 S.B. Bagade  
Sanjay S. Bagade
